Senate Concurrent Resolution 34

Senator Harris offered the following resolution:

S. C. R. No. 34, Creating a Special Committee to provide for placement of Seals of Six Nations which have governed Texas on the Capitol Building.

Whereas, The seals of the six nations which have governed Texas during its glorious history are beautifully depicted in the terrazzo floor of the Capitol Rotunda; and

Whereas, Representing Spain, France, Mexico, the Republic of Texas, the Confederate States of America, and the United States of America, the seals are of great interest to out-of-state tourists and other Capitol visitors, and are of historical significance to the many school children and student groups touring the Capitol; and

Whereas, It would also be appropriate that the seals be reproduced and displayed on the outside of the Capitol, so that all visitors to downtown Austin might have the opportunity to see these symbols of our colorful Texas heritage; now, therefore, be it

Resolved by the Senate of the 61st Legislature, the House of Representatives concurring, That a special committee be, and it is hereby created to provide for placing the seals of the six nations which have governed Texas on the outside of the Capitol in the indentations across the front por-

tico, immediately below the present location of a lighted star; and, be it further

Resolved that the committee shall be composed of three Senators, appointed by the Lieutenant Governor; three Members of the House of Representatives, appointed by the Speaker of the House; the chairman of the State Board of Control, or a staff member of the board, designated by the chairman; the director of the State Building Commission, or a member of the commission's staff designated by the director; and the director-librarian of the State library, or a staff member of the archives division designated by the director-librarian; and, be it further

S. C. R. No. 35, Providing for the establishment of the Consumer Credit Study Committee.

Whereas, The 90th Congress enacted the Federal Truth in Lending Act as part of the Federal Consumer Credit Protection Act and this act was signed by President Lyndon B. Johnson on May 29, 1968; and

Whereas, The Board of Governors of the Federal Reserve System is directed to exempt by regulation credit transactions which it determines are governed by the law of a state whose requirements are substantially similar to those imposed by the Federal Act and which state has adequate provision for enforcement; and

Whereas, The National Conference of Commissioners on Uniform State Laws, after over four years of study, several national hearings on draft bills, and obtaining the comment and advice of state consumer credit com-

missioners, consumer, banking, small loans and retailing representatives, promulgated the Uniform Consumer Credit Code; and

Whereas, The Uniform Consumer Credit Code was drafted so as to conform to the Federal Truth in Lending Act and so as to permit a state to obtain exemption from Federal regulation; and

Whereas, The Uniform Consumer Credit Code appears to offer the State of Texas an opportunity to improve further its consumer credit laws; now, therefore, be it

Resolved by the Senate of Texas, the House of Representatives concurring, That:

Section 1. The Consumer Credit Study Committee is hereby established, composed of five members-at-large appointed by the Governor, five members of the Senate appointed by the Lieutenant Governor, and five members of the House of Representatives appointed by the Speaker.

Whereas, New buildings have been provided to facilitate operations of non-legislative divisions of government, but the 181 members of the Texas Legislature and officials and employees of legislative service agencies continue to work in crowded quarters, sharing tiny offices, and contending with handicaps of noise and confusion that are certainly not conducive to efficiency and harmony; and

Whereas, It is important to all of state government that the entire legislative process function with the utmost competency and that proper working conditions be provided so that this goal may be realized; now, therefore, be it

Resolved by the Senate of the 61st Legislature, the House of Representatives concurring, That a special committee be and it is hereby created to make a study of space requirements—for the Texas Legislature and legislative service agencies, such study to review the utilization of space in the Capitol and to investigate the need for a legislative office building; and, be it further

Senate Resolution 311

Senator Strong, by unanimous consent, offered the following resolution:

Whereas, The availability and use of narcotics and dangerous drugs, including marijuana have increased to an alarming degree in Texas during recent years, especially among our high school and college-age youth; and

Whereas, The permanent dangers to the individual and to society involved in the continued increase in the availability of narcotics and dangerous drugs, are of vital concern to the Legislature of this State; and

Whereas, Education of our youth as to the permanent harmful effect which may result from use of narcotics and dangerous drugs is an immediate necessity; now, therefore, be it

Resolved, That the Lieutenant Governor appoint a committee of nine members for the primary purpose of conducting public hearings and giving intense study to the dangers involved in the availability and use of narcotics and dangerous drugs, by Texas high school and college-age youth, and that the interim committee extend its attention to the chemical properties of narcotics and dangerous drugs, and their harmful physical and psychological effects. The committee shall also recommend a positive program for educating our youth concerning the properties of narcotics and dangerous drugs and their possible effect. The committee shall be composed of three members of the Senate, three students of public schools or colleges and universities, and a physician, a law enforcement official dealing with juvenile problems, and a sociologist or social worker or teacher of sociology; and, be it further

Resolved, That actual and neces-

sary expenses of the committee in connection with its activities shall be paid from the Contingent Expenses Fund of the Senate; and, be it further

Resolved, That the interim committee present a formal report of its findings and recommendations to the 62nd session of the Texas Legislature in January, 1971.

The resolution was read and was adopted.

Senate Resolution 307

Senator Cole offered the following resolution:

Whereas, The Senate Youth Affairs Committee has been charged with the duty of conducting an in-depth study of youth affairs in the State of Texas, including a detailed study of the Texas Youth Council; and

Whereas, The nationally recognized authority in this field, the National Council on Crime and Delinquency, has an office in Texas known as the Texas Council of the National Council on Crime and Delinquency; and

Whereas, It would be most beneficial to the State of Texas to bring the expertise of this nationally recognized organization into the study of youth affairs in the State of Texas; and

Whereas, The Texas Council of the National Council on Crime and Delinquency is willing to prepare a proposal with cost estimate and time schedule for a study of services to juvenile offenders in Texas, covering the full scope of services available to a juvenile offender, from the time the child first comes into conflict with the law until he is no longer of juvenile age; and

Whereas, The mere development of this proposal would, of necessity, require the Texas Council of the National Council on Crime and Delinquency to gather a great amount of information which would be beneficial to the study of the Senate Youth Affairs Committee, which information would be available to the State of Texas whether or not a contract is drawn for future study by the Texas Council of the National Council on Crime and Delinquency; and

Whereas, This information will have been developed at no expense to the State of Texas; and

Whereas, In order to develop this proposal the Texas Council of the Na-

tional Council on Crime and Delinquency needs permission to interview appropriate officials and consult the records of several State agencies; now, therefore, be it

Resolved by the Senate of the State of Texas, That the Senate Youth Affairs Committee through its Chairman is authorized to give permission to the Texas Council of the National Council on Crime and Delinquency to interview appropriate officials and consult the records of the Texas Youth Council; the Texas Department of Mental Health and Mental Retardation; the Texas Education Agency; the Department of Public Welfare; the Criminal Justice Council and such other State and local entities as the Senate Youth Affairs Committee and its Chairman may deem desirable.

The resolution was read and was referred to the Committee on Youth Affairs.
